Main Meeting Room
Will Rogers Garden Exhibition Bldg
3400 NW 36th St. (I-44 and NW 36th St.)
Oklahoma City, OK 73112

On May 2, 2015, Metro Camera Club will host a Special Saturday Workshop concentrating on Portrait Lighting and Tabletop Photography.

Randy Taylor from Taylor Made Photography in Edmond will be providing instruction for portrait lighting and posing. Club member Janet Steyer will again provide a huge display of Tabletop set-ups demonstrating different lighting for small still-life photography.

The Workshop starts at 10:00 AM (set-up people will need to be there at 8:30 AM) and continues until 3:00 PM. Asking for a few volunteers to help set up room, put out chairs and help members with bringing in equipment, etc.

A charge of $10.00 per person for the Workshop, pizza and drinks will be provided.

Mr. Taylor will begin portrait instruction promptly at 10:00 AM until noon. During lunch and until 3:00 PM members and guests will be encouraged to use the same equipment used during the lecture to practice the art of portrait photography provided by members of the Metro Camera Club.

Bring your camera to the Workshop. Be sure your camera is able to hook up with the studio sync cords or wireless triggers. Check with your local photo dealer or myself for help in this area. Models will be present and it is customary to provide courtesy photos (usually 8 x 10) or a CD for their efforts.

If you have any questions, please get in touch with Joe Wilson.
