Hank Baker

Hank Baker has owned Baker Photo and Video for over 13 years. While owning his business, he has also been a respected storm chaser, working with local news stations such as KFOR and KOCO to capture some of Oklahoma's greatest extreme weather. During his time as a photographer and storm chaser, his footage has been used by the History Channel, National Geographic, The Discovery Channel, The Learning Channel, and more. Hank has also has extensive experience in commercial photography, photographic equipment and a variety of printing techniques.
